I'd like to use this meeting as an information sharing opportunity. Hopefully over the last few months, we've had time to do some research on our own and discuss within our small groups. So please come prepared to share your knowledge on potential structural controls for trash.

Rough Agenda

- San Francisco Bay area trash generation study (Jillian)
- San Francisco Bay area trash structural controls (Jillian)
- Baltimore's stormwater inlet grates (Anna)
- Current controls in the Anacostia (Matt R.)
- Others?
- Next Steps
